

Curriculum Vitae

**CV must be written in English*

Personal Information

Title (i.e. Prof., Dr., etc.)	Prof.
Name (First / Middle / Last)	Sohyun Kim
Degree (i.e. MD, MSc, PhD, etc.)	M.D., Ph.D.
Country	Republic of Korea
Affiliation	Department of surgery, College of Medicine, Yeungnam University

Educational Background

2000.03~2006.02 College of medicine, Yeungnam University
2007.03~2009.02 Master of medical science, Yeungnam University
2009.03~2012.03 Doctor of Medical science, Yeungnam University

Professional Experience

2015 – 2021 Assistant professor, College of Medicine, Yeungnam University
2020 – 2021 Visiting scholar, St. Mark's Hospital, London, UK
2021 – present Associated professor, College of Medicine, Yeungnam University

Professional Organizations

2011.03- present Korean Surgical Society
2011.03 - present The Korean Society of Coloproctology
2015.03-present Korean Society of Surgical Oncology

Main Scientific Publications

1. Deep Learning Algorithm to Determine the Presence of Rectal Cancer from Transrectal Ultrasound Images (2025) LIFE-BASEL: 15(9), 1358; 1-10
2. Comparison of drain displacement and complications between conventional drain insertion and extraperitoneal tunneling drain insertion following anterior or low anterior resection: a retrospective comparative cohort study (2025) Annals of Surgical Treatment and Research: 109(1); 7-14
3. Introduction of extra -peritoneal tunneling method : A way to secure the drain tube in the pelvic cavity after proctectomy (2024) Annals of Coloproctology: 40(2); 182 -185
4. Effect of prehabilitation on patients with frailty undergoing colorectal cancer surgery: a systematic review and
